Submit a mini-plenary session or workshop for the Pediatric Hospital Medicine 2017 (PHM 2017) conference in Nashville. Submissions must be completed online by Wednesday, October 26, 2016 at 5:00 p.m. ET.

**New for PHM 2017!** There will be dedicated workshop tracks within the schedule allowing for 75-minute or 150-minute sessions set with round tables to ensure interactivity.

The PHM 2017 Planning Committee invites all interested parties to submit either a mini-plenary session or workshop proposal. Please review the entirety of this call for content to determine which type of submission you would like to complete. All submitted proposals for mini-plenary sessions and workshops will be reviewed and considered for presentation at PHM 2017.

Various categories will be considered for selection and you will be asked to identify which category your submission best fits under. Categories include the following: Behavioral Health, the Business of Hospital Medicine, Clinical, Complex Care, Community Hospital Medicine, Education, Global Health, Health IT/Informatics, Med-Peds, Mentorship, Newborn Medicine, Patient Experience, Patient Safety, Professional Development/Leadership Skills, Physician Wellness, Practice Management, Quality Improvement, Research, and Trainee/Early Career.

**Share Your Expertise in One of the Following Areas**

**Mini-Plenary Sessions:**
Mini-Plenary Sessions will be 75 minute sessions (60-minute presentation & 15 minutes Q&A) and will take place throughout the four days of PHM 2017.

Criteria for Mini-Plenary Session selection:

1. A topic that is timely and important for the intended audience
2. Learning objectives that are clear and appropriate
3. Presentation format and outline that is likely to engage the audience

Please note the following before submitting a presentation proposal:
• Presentations will be allotted a maximum of 75 minutes for presentation.
• Presentations should be lecture-style in nature with audience engagement that can be accomplished in a theater-style setting.
• Audience size will range from 130 – 200.
• Mini-plenary proposals will have only one lead faculty member. There is no limit on the number of co-facilitators. All presenters will be required to fill out the Disclosure of Interest form.

Workshops:
Workshops at PHM 2017 will be presented in dedicated workshop tracks allowing for dedicated time and full interactive-style sessions. Workshops should address innovative ideas, learner-centered knowledge gaps and needs and include an interactive element.

Criteria for Workshop selection:

1. A topic that is timely and important for the intended audience
2. Learning objectives that are clear and appropriate
3. Presentation format and outline that is likely to engage the audience with workshop facilitators

Please note the following before submitting a workshop proposal:

• Workshop submissions will be considered for both 75-minute and 150-minute formats. Please indicate if your workshop submission can be completed within a 75-minute timeframe in your submission.
• Workshops will be set with round tables to encourage interactive engagement.
• Intended audience size will be between 50-120.
• Workshop proposals will have only one lead faculty member. There is no limit on the number of co-facilitators. All presenters will be required to fill out the Disclosure of Interest form.

Deadline for Submissions: Wednesday, October 26, 2016 by 5:00 p.m. ET.
